About Us

Established in 1990, **Ganesh Polymers** is a family-run, vertically integrated manufacturer based in Rajapalayam, Tamil Nadu. With over three decades of experience, we are proud to be recognized as a registered MSME in India.

Our plant is equipped with a strong infrastructure and a skilled workforce committed to precision, quality, and timely delivery — values that define our brand.

Our Mission

“Where Every Roll Reflects Precision and Punctuality”

Our mission is to deliver premium-grade Jumbo Bags, Liners, HDPE & LDPE Bags and Rolls with a focus on:

- Superior quality
- On-time delivery
- Strict quality control
- Customer-centric approach

Why Choose Ganesh Polymers?

- Over 30 years of trusted industry presence
- Precision-engineered packaging with advanced machinery
- Strong focus on quality and on-time delivery
- Custom sizes, prints, colors, and quantities
- Prompt and personalized customer support

Product Portfolio

We specialize in manufacturing durable, custom-sized, and multi-color printed bags, rolls, and sheets for industries such as:

- Food grains
- Animal feed
- Fertilizers
- Chemicals
- General industrial packaging

Our Products Include:

- PP/HDPE Woven Bags & Sacks
- HDPE / LDPE Films & Rolls
- Polythene Bags & Sheets
- Reprocessed Polymer Granules
- Box Strapping Rolls
